

Band Parent Contact Information

Band Parent contact information (this form will be kept confidential and only the Currituck County Band Boosters Executive Board will have access to it.) The Band Boosters are requesting this information for 3 reasons; first, we need volunteers to assist with different events and will contact all parents when the need arises. Second, we will use this to send out any important information that the parents need to be aware of (sometimes kids don't tell the parents everything that they need to know). And third, we will use it to remind those parents that have signed up for something. For example at the Parent Preview show we will have signup sheets for pit crew and football concessions. We will then send a reminder out the day before to those parents that signed up to help. Thank you in advance for providing us with this information.
